## CornuFé Series

In 2005, the CornuFé Series was born, introducing La Cornue to a whole new generation. For those who hate to wait, units are inventoried stateside, and are available in eleven colors with three accent options. Designed with the American kitchen in mind, the CornuFé Series features electric multi-function convection ovens and either robust brass burners or induction.

## Rôtisserie

The Flamberge Rôtisserie is a wall-mounted gas rôtisserie designed for residential use. Constructed with a concave rear wall of solid cast iron, it is heated by a powerful gas burner set beneath three motorized spits. Synthetic wicks pull the heat up through the vaulted back of the unit, allowing the radiant heat to gently cook foods as they rotate slowly on a spit over the flame.

## Ordering & Shipping

All Château products (Château Ranges, Cooktops, Hoods, Rôtisserie, Cabinetry and Accessories) are custom-ordered and quoted on a per-job basis. In our current environment, lead times are constantly changing, please consult your sales person for current lead time. Freight rates are not reflected in retail prices and will be quoted on a per-job basis. Standard freight is air freighted from France to U.S. and then truck to local delivery.

All CornuFé products (CornuFé 110 and 90) are inventoried at Middleby Residential and shipped upon order or around target delivery date. If a product is not in stock, lead time will be quoted. Standard delivery time is 1-3 weeks for products in stock. Freight rates are not reflected in retail prices and will be quoted at time of sale.

---
