22.6W x 19.8D x 11.8H	3.1 cubic feet (left)
Grand Vaulted Electric Oven with Electric Broiler	
22.6W x 17.5D x 11.8H	2.7 cubic feet (right)
Standard Vaulted Gas Oven with Electric Broiler	11,000 BTUS
16.8W x 19.8D x 11.8h	2.3 cubic feet (left)
Standard Vaulted Electric Oven with Electric Broiler	
16.8W x 17.5D 11.8H	2.0 cubic feet (right)

CUSTOMIZATION TO BE SPECIFIED AT TIME OF ORDER

Voltage: Standard voltage is 240, single phase.
Fuel: Standard fuel type is Natural Gas; please specify if Propane is desired.

Altitude: Please specify if range will be installed over 2,000 feet.

Custom Height: Please specify if a custom height is desired, up to 38.2 inches. Price to quote.

Extended Cooktop: For a unique continuous cooktop work surface, the Stainless Steel cooktop frame may be extended laterally. Maximum total length varies based on range specified, please inquire. Price to quote.

Flushed Backsplash (additional charge): Ideal for island applications, this may be ordered in 100 mm depth (Total Depth 700 mm). Note that the standard backsplash is raised 2" above the cooktop frame.

\$1,300 for a seamed flush backsplash and \$7,500 for an integrated seamless flush backsplash.

Toe Kick: Stainless Steel Toe Kick is standard. A colored toe kick can be added to match the range. (See page 13 for pricing)

Brass or Copper Toe Kick: Brass or Copper Toe Kicks are available for ranges and cabinets for an upcharge. Price to Quote.

Clear Coated Varnish: Available on Brushed Brass, Polished Brass, Brushed Copper, Polished Copper Trims and Range Finishes.

Custom Color: \$3,400

Leather Handrail: Available in multiple colors.

2 GAS BURNERS

Two brass burners set inside an enameled drip tray and topped with an enamel-coated cast iron grate.

Front Burner: Natural Gas 17,000 BTU / Propane Gas up to 12,500 BTU
 Rear Burner: Natural Gas 7,500 BTU / Propane Gas up to 6,000 BTU

POWER BURNER

One oversized brass burner set inside an enameled drip tray with an enamel-coated cast iron grate. Ideal for oversized sauce pans, searing, sautéing, and high heat cooking.

Natural Gas 22,000 BTU / Propane Gas up to 22,000 BTU

PLAQUE "FRENCH TOP": LARGE, PETITE

One gas burner installed beneath a solid cast iron top, serving as the heat source for the entire cast iron surface. The cast iron plaque becomes the cooking center and offers variable heat zones with the strongest heat in the center, directly above the burner, and diffusing outwards. Allows for multiple sauce pans above a single indirect heat source.

Natural Gas 7,500 BTU / Propane Gas up to 7,500 BTU

LAVA-ROCK GRILL

Linear gas burner running front-to-back set beneath a bed of natural lava rocks and topped with an enamel-coated open-style grill.

Natural Gas 14,500 BTU / Propane Gas up to 14,500 BTU

TEPPANYAKI

Flat, solid, griddle-style cooking surface heated by electricity to create a consistent and solid cooking surface ideal for steak, seafood, shrimp, rice, eggs and vegetables with a minimum temperature of 140°F and a maximum temperature of 482°F.

Teppanyaki element incurs an upcharge of \$3,500

CERAMIC GLASS INDUCTION

Ceramic glass induction hob features 2 identical cooking areas, 220 x 180 mm 2100 watts, 3700 watts max

Induction element incurs an upcharge of \$3,500 per element

ALL INDUCTION COOKTOP

Available on the 150, 120, 90, and 60 ranges only. The 150 and 120 cooktops feature a five burner cooktop and the 90 and 60 features a 4 burner cooktop. When this cooktop is specified, the ovens will always be electric.

LE CHÂTEAU OPTIONS

Enamel and Metal Body Options: Château ranges are available in a variety of 50 enamel or metal body finishes, and can also be customized in a one-of-a-kind color. Prices may vary depending on colors selected.

Trim Options: Polished Brass, Brushed Brass, Brushed Stainless Steel, Brushed Nickel, Polished Chrome, Polished Copper, Matte Black, Matte Bronze, Brushed Copper and Polished Stainless Steel. Prices may vary depending on trims selected.

Despite our utmost care, slight variations may occur between color samples and the final product. These subtle differences are inherent to the handmade process and the natural mineral materials used in the enamel.

Château Tourelle Wall Oven

A fully electric multifunction platform designed to deliver premium performance without aesthetic compromise. Available in two size options, it slots cleanly into high-end kitchen environments where precision, reliability, and visual continuity matter.

Engineered to pair seamlessly with a Château Cooktop, it reinforces the cohesive design language customers expect from a luxury culinary suite. For homeowners who want the flexibility of an additional oven while maintaining the distinct Chateau Rangs aesthetic, this unit does the job without fanfare or friction. Built for serious cooking and serious style—nothing more, nothing less.

Château Series Hoods

La Cornue offers motorized Château wall-mounted & island hood models which include a motorized factory installed blower (a 1200 CFM blower for all 2 oven cookers and a 600 CFM blower for all 1 oven cookers). In the event you choose a custom hood, La Cornue also offers hood inserts with lights, blowers and a remote control.

HOTTE CHÂTEAU

Traditional wall mounted hood. Island Hoods are also available. Custom Hoods available by quote. Hood height may be increased up to 1500 mm/ 59 inches by adding height to the upper band (total maximum height would be 2250 mm/88.5 inches). Traditional wall mounted hoods can be ordered without a blower (shell only) if using an internal or remote blower. Custom inserts available. Contact your La Cornue Sales Rep.

Château Suprême by Ferris Rafauli

The Château range is an icon of the French art of living throughout the world. Reimagined by Ferris Rafauli, this contemporary version is the ultimate in sophistication. To create it, the designer considered and revised each element of the range to bring out its most distinctive characteristics, taking the precision of the lines and details to a whole new level.

CHÂTEAU SUPRÊME GRAND PALAIS 180

Rôtisserie

The Flamberge Rôtisserie is a wall-mounted gas rôtisserie designed for residential use. Constructed with a concave rear wall of solid cast iron, it is heated by a powerful gas burner set beneath three motorized spits. Synthetic wicks pull the heat up through the vaulted back of the unit, allowing the radiant heat to gently cook foods as they rotate slowly on a spit over the flame.

FLAMBERGE RÔTISSERIE: BFG

Unit Dimensions: 755 W x 380 D x 725 H (mm)
29.7 W x 15 D x 28.5 H (inches)

Minimum Cutout Dimensions: 760 W x 457 D x 730 H (mm)
30 W x 18 D x 28.7 H (inches)

Dimensions of Metal Trim Frame: 815 W x 792 H (mm)
32 W x 31.2 H (inches)

Crated Weight: 330 lbs; Uncrated Weight: 132 lbs

Voltage: 120v, 10 AMP Breaker

Available in gas only (Natural or Propane)

Gas – 27,000 BTU Natural or 25,000 BTU Propane

Accessories Included:

2 Metal Spits

1 Fish Basket

1 Porcelain Enamel Drip Tray

Starting from \$19,100

Please note: The Centenary Rôtisserie is a UL-Approved product for residential installation. This is a zero clearance product. Ventilation is not required, but may be used as desired.

La Cornue Accessories & Options

La Cornue offers a variety of accessories to complement our ranges, as well as some options for items which complement the La Cornue cooking experience. Alternative finishes are also available for specific design aesthetics.

New Cuisine de Château Cabinetry by La Cornue. Refined for Modern Living.

La Cornue proudly presents the next evolution of Cuisine de Château Cabinetry — where classic craftsmanship meets modern elegance. Thoughtfully redesigned, our cabinetry features streamlined lines and refined proportions while honoring the timeless codes of our Château heritage.

- **Enhanced Precision:** Reduced gaps between drawers and cooktop for a sleeker, more tailored look. Perfect alignment of drawers, doors, and cleanliness handles delivers impeccable symmetry.
- **Seamless Integration:** Optional Stainless Steel countertops and extended cooktops (up to 2800mm) create a continuous, professional finish. Extend the signature towel rail — even with marble, stone, or other materials — for a cohesive design. Speak with your La Cornue Sales Representative for details and pricing.
- **Customizable Finishes:** Cabinet sides come unfinished; for exposed ends, specify a finished end panel (EME), with or without decorative frames. Add electrical outlets to end panels — ideal for island configurations (upcharges apply).
- **Complete your kitchen's seamless aesthetic** with custom panels designed for undercounter refrigeration and ice machines from leading manufacturers such as U-Line and Sub-Zero. Please note certain models may require review, and weight considerations will be factored into the design.

Create a truly bespoke kitchen — build your entire space with Cuisine de Château Cabinetry. CAD files are available online, and our CAD specialists are ready to assist.

Ordering & Shipping

All Château products (Château Ranges, Cooktops, Hoods, Rôtisserie, Cabinetry and Accessories) are custom-ordered and quoted on a per-job basis. In our current environment, lead times are constantly changing, please consult your sales person for current lead time. Freight rates are not reflected in retail prices and will be quoted on a per-job basis. Standard freight is air freighted from France to U.S. and then truck to local delivery.

All CornuFé products (CornuFé 110 and 90) are inventoried at Middleby Residential and shipped upon order or around target delivery date. If a product is not in stock, lead time will be quoted. Standard delivery time is 1-3 weeks for products in stock. Freight rates are not reflected in retail prices and will be quoted at time of sale.

CHATEAU SERIES SHIPPING & DELIVERY

All Château units must ship via inside delivery due to weight and value. Quoted freight includes wooden crate and import costs (customs, duties and taxes).

Inside Delivery Includes:

- Insurance
- Delivery crew of 2-4 men
- Delivery up to 2 flights of stairs (includes outside and inside stairs)
** Passageway must be accessible and wide enough for delivery crew to maneuver*
- 90 minute onsite delivery time
- Placement of unit inside customer's home, three feet away from its location
- Debris removal of original crate packaging, including the wooden crate, pallet, Styrofoam, and plastic
- Delivery Monday to Friday from 8am-5pm
- Delivery within designated 5-hour delivery window, during normal business hours

CORNUFÉ SERIES SHIPPING & DELIVERY

CornuFé units may be shipped curbside/warehouse delivery or in-home delivery. Note that rates for each option are quoted by state and unit.

Curbside delivery service includes:

- Insurance
- Delivery crew of 1-2 men
- Delivery up to the driveway
- Delivery Monday to Friday from 8am-5pm
- Delivery within designated 5-hour delivery window, during normal business hours

In-home delivery is identical to Château in-home as detailed above

Items *not* covered (note the below conditions will incur additional costs):

- Delivery time of over 90 minutes
- Additional labor (more than 2 men for curbside delivery and more than 3 men for inside delivery)
- Waiting time (if recipient not home or not ready to receive order upon arrival)
- Customer pick-up
- Consignee no show
- Consignee refusal of delivery
- Consignee refusal within 24 hours of scheduled delivery
- Required use of elevator for delivery
- Unusual transportation costs – ferries, cranes, etc.
- Weekend or holiday delivery
- After hours delivery
- Specific time delivery
- Storage of unit at local distribution center

Conditions *never* covered under freight charge:

- Gas or electrical hookup
- Removal of any non-La Cornue debris
- Light assembly

Please note: It is the responsibility of the purchaser to arrange installation. La Cornue is not responsible for installation.

NATIONWIDE SERVICE & PARTS INFORMATION

For service, contact the La Cornue Service Center at 877-LACORNU(e) or 877-522-6768.

LA CORNUÉ WARRANTY AND LIMITATIONS

La Cornue warrants the original user that the product(s) manufactured are free from defects on material and workmanship for a period of five years from date of installation, not to exceed 66 months from date of shipment by Company. For extended warranty options due to delay in installation, please contact us at lacornueservice@middlebyresidential.com.

CODE COMPLIANCE INFORMATION

Château Stoves, Cooktops and Rôtisserie are UL Approved for residential use *unless otherwise noted*.

CornuFé Stoves carry CSA Approval for residential installation

Please note: According to ANSI Standard Z223, noncombustible ventilation equipment must be used in conjunction with La Cornue equipment.
