THE VOILÀ WAY TO DREAM

The CornuFé Kitchen Collection extends the iconic presence of the CornuFé range beyond the appliance itself, transforming it into the centerpiece of a beautifully coordinated kitchen. Thoughtfully designed to complement traditional custom cabinetry, each cabinet features aligned proportions, matching reveals, and refined architectural detailing that create a seamless visual connection while adding purposeful storage. Whether framing the range or carrying the design throughout the room, every element contributes to a kitchen that feels intentional, balanced, and unmistakably French.

Designed to simplify the planning process, the CornuFé Kitchen Collection is available in thoughtfully composed, ready-to-order Signature Configurations that pair perfectly with CornuFé ranges. And now, creating your dream kitchen no longer means waiting months for custom craftsmanship. Four inventoried configurations are available for immediate purchase in Matte Black with Polished Brass, Gloss Black with Polished Chrome, Pure White with Polished Chrome, or Stainless Steel with Polished Brass, bringing the timeless beauty of a bespoke French kitchen home sooner than ever.

NOTE: THE CUSTOM CORNUFÉ TOE KICK IS RECOMMENDED AND AVAILABLE WITH CABINETRY. THE CORNUFÉ RANGE, HOOD AND COUNTERTOP ARE NOT INCLUDED.
